**Request for a Fire Sign**

A fire sign in good physical condition and visible from the street is required by the South Elgin Fire District to ensure that we can find your house in the event of a fire or EMS emergency. The South Elgin Fire District provides a replacement sign free of charge to those District residents who have a sign that is missing, damaged, or hard to read.

Signs can be obtained by using any of the following options:

- Call Fire Station 21 at 847-741-2141, the office staff or Captain will take your information
- Fill out the contact information below and email it to Lt. Rich Stumbaugh at [rstumbaugh@southelginfire.com](mailto:rstumbaugh@southelginfire.com)
- Mail to Station 21 at the address above, send to Lt. Rich Stumbaugh's attention.

Fire signs are ordered from an outside vendor. Once an order is placed it usually takes approximately 3 weeks for it to be manufactured and delivered to our station. The area at your residence where the sign will be posted will need to be JULIE'd if the post is being replaced. The District does their best to get your sign replaced as soon as we possibly can and thank you for your patience with this process.

Any questions on this process can be directed to Lt. Rich Stumbaugh at 847-741-2141 or [rstumbaugh@southelginfire.com](mailto:rstumbaugh@southelginfire.com).
